

At Little Green Junior School, we are committed to working in partnership with parents and carers for the benefit of the children. In doing so, we wish to create a culture of learning, where children are happy, enthusiastic, motivated, resilient and ambitious. We aim to encourage mutual respect, support and collaboration among all adults and children, both within the school and the wider community. We believe this can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home-school agreement.
