Dear Parents and Carers,

## Re: Easter Egg Competition - Friday 5<sup>th</sup> April

Following a Little Green tradition, we are once again inviting the children to take part in an egg decorating competition. This is an opportunity for children to show off their creativity following a year group theme.

The overall theme this year follows on from our Science Week of 'Journeys'. Each year group has chosen a more specific theme and these are:

- Year 6: Evolution (Animals)
- Year 5: The Moon (Earth, Space etc)
- Year 4: Sound
- Year 3: Journey of the Bee/Life cycles

Children will need either a hard boiled or 'blown' egg which can then be decorated by the children. Encourage them to be as creative as they like when decorating their egg e.g. attach decorations, paint it, colour it etc. We will be judging the egg decoration not the models, backgrounds or 'extras' that go with it. Please could you also support your child in creating a title and name label to go with their egg for display in school.

All children entering should bring their decorated egg as they come in to school on **Friday, 5<sup>th</sup> April** when judging will take place. **Please bring it in a container to try and ensure that it makes to and from school safely.** Everyone who enters will receive a chocolate treat and a winner from each class will receive a larger Easter Egg, all kindly donated by FOLG.

We look forward to seeing the children's imaginative creations!

Yours sincerely,

Miss Sedgwick
