

## NEWSLETTER Issue **Spring 4** Tuesday 5.3.2019

Dear Everyone,

Officially, welcome to Spring! We also welcome you all to the Parent Consultations next week and will have a '5 question' survey to support our **homework review**. Please do complete the survey to make your voices heard: We will also add the link to the website at that time. Speaking of which, our website is full of amazing learning so do have a look - [www.littlegreen.herts.sch.uk](http://www.littlegreen.herts.sch.uk) - I hear a few of you are struggling to find this using Google and I share your frustration. As the new website increases in popularity, it will move to the top of the Google search rankings above our now defunct old address (we are waiting for this to redirect also.) In the meantime, do use the link above to see what has been happening. You can use the **children** tab to look at learning by your child's year, class or by subject. As always, feedback is gratefully received.

Things of note: new ethos graffiti (see pic); 70<sup>th</sup> Celebration art project; Girls Football Three Rivers Winners! Crocus Blooming; New laptops; PAL Mental Health Project; Resilience Screening at Watersmeet. It is also a pleasure to tell

you that Mrs Gregg is the proud parent of a lovely baby boy called Harry.

Kindest regards as always, Mr Roberts

**Resilience in the Community:** If you want to learn more about childhood development and the positive factors that support children to develop healthy minds, **do** attend the Watersmeet screening

of resilience with a Q and A session afterwards. This is an opportunity for a Community meeting of minds and with a range of times to suit

everyone! ***"If you get the science into the general population, they will invent very wise actions."*** Have a look at this link for a taster: [Resilience Trailer](#). For more information and to sign on, [CLICK HERE To book a place \(it's free!\)](#)

### 100,000 Bulbs Project

Our project to make environment come alive is blooming! We are helping the bees and reminding ourselves of the importance of caring for our world!

Thank you – please keep the pictures coming in!
