Bokeh Juniors is a Key Stage 2+ After-School Club.  
It develops photography skills & understanding,  
and encourages creativity in a mindful environment...

Each child has quality 1-2-1 learning throughout.

I mentor and encourage each child's ability, with engaging  
learning alongside practical and creative projects every  
week, peppered with inspiring words by those who know!

Bokeh Juniors don't make mistakes, they only learn...

Richard Kelly.

"Thank you so much  
for running these  
wonderful workshops  
in our school. My  
daughter loved it!"

# WE ARE BOKEH JUNIORS

# BOKEH JUNIORS IS ABOUT SO MUCH MORE THAN JUST POINT & SHOOT...

The '7 Blades of Learning' module is a bespoke teaching platform, created for enthusiastic children and adults, keen to explore their photographic talent and understanding.

Balanced learning about the careers of successful photographers, the history of photography, along with inspirational photographs and understanding equipment & kit that we use, are blended together to provide a broad landscape of fun creativity!

"I feel like I'm looking at the world in the eye of technology."  
**SARRATT  
YEAR 5 PUPIL**

"The camera waits by the front door now. It gets taken out every time she leaves the house!" **SARRATT PRIMARY PARENT**

Bokeh Juniors receive a 25% discount\* at the Fuji Film Shop in Rickmansworth.

"It's the way one teaches, not what one teaches, that is the important thing. And you have whatever that 'way' is in bucketfuls!" **SARRATT PRIMARY PARENT**

"Everything I know now, I didn't know before!"  
**SARRATT YEAR 5 PUPIL**
