

CHRISTMAS

# Tech Camp

AGES 5-11

## ROBOT LAB

Learn how to program new robots using code blocks. Watch as it comes to life, moves and even talks! Great for developing problem solving skills.

## FESTIVE MOVIE MAKING

Dive into video production and direct your own festive movie! Get to grips with the technology and creative editing to make your own blockbuster.

## AUGMENTED REALITY

Experience a higher level of digital engagement. AR brings children's creations to life in 3D through their screen. Adding a dimension of learning and wonder to their tech experience.

## DIGITAL TECH QUEST

Embark on a quest with friends to find QR codes, then solve puzzles to reveal the next code location. A fun festive adventure that teaches children logical thinking skills.

## LITTLE GREEN JUNIOR SCHOOL

Lincoln Drive, Croxley Green, Rickmansworth  
WD3 3NJ
