

Ladies' Day Secret Room

Mother's Day is taking place on Sunday 22 March this year and Friends of Little Green are hoping that you will support them with a new fundraising initiative.

We will be running a special "Ladies Day" pop-up shop on Wednesday 18 March over the lunch period for pupils to independently and "secretly" purchase a gift for a special person in their lives. This could be their mum, grandparent, aunt, sister or friend.

We have a variety of gifts costing £2.00 each. Pupils will need to bring in money on the day of the shop—please try and put the correct amount in an envelope so that it is easy for your child to pay.

If you would like to buy a personalised gift, please bring in a small photo (no more than 55mm).

You may also want to write the number of gifts you want them to buy on the envelope so it is clear if any change is due.

Gifts will be sold on a first come basis.

If you can help with the running of the shop, please get in touch with us. No special skills are required!
