

**Maths Home Learning:**

In Maths, please keep practicing times tables on the websites we have suggested.

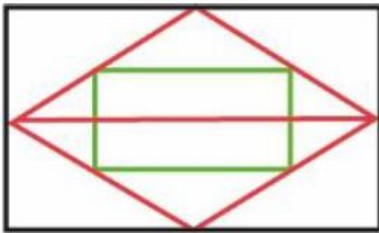

**Activity - Angles continued**

Watch the angles song to help you recap on angles:

<https://www.youtube.com/watch?v=NVuMULQjb3o>

Activity 1 - Look at the identifying angles sheet. Can you label and identify the different angles? There are three shapes with 14 internal angles (the ones on the inside) to identify and label. An optional extension is to estimate or measure the internal angles too. This is set as an assignment in Google classroom to hand in if possible.

Activity 2 - How many acute and obtuse angles can you find in this flag?

This question will be posted on Google classroom for you to answer if you can.

**Topic-VE Day**

**Please see attached Activities and resources.**

To celebrate VE Day 75th Anniversary on May 8th there are 8 activities you could try. **You only need to try ONE activity. You could complete more IF you want to.** Please send any work or photos of your VE Day work to the class email.

**Reading Home Learning:**

To link with our VE Day topic there is a fact file about VE day for you to read.

**Please note there are 3 different levels you need to pick which level you want to complete.**

1 star= Bronze

2 star = Silver

3 star = Gold

You can mark your own work because answers are included.

**English Home Learning:**

In English this week, we are beginning our Discussion Topic based on the book

'The Angel of Nitshill Road'. The book is in the google classroom, along with 5 English tasks contained in a PowerPoint. Only Task 2, 'Infer feelings of the main characters from the text' needs submitting for marking.

**Geography Home Learning:**

In Geography, we are continuing with our Coasts topic by *finding the human and physical features of two different areas*. The task is contained in the PowerPoint (in google classroom) and will need to be submitted for marking..

Online learning lessons (optional)

Maths:

<https://whiterosemaths.com/homelearning/year-4/>

Summer Term – Week 1 (w/c 20 April)

Lesson 3 - Compare decimals

Lesson 4 - Order decimals

Watch the videos and then complete the worksheet provided on the website. Answers are also available for you or your child to check.

<https://www.thenational.academy/year-4/maths/area-and-perimeter-year-4-wk1-1>

Lesson 1 - Area and Perimeter

Watch the video and complete the activities

English:

Your optional tasks for English are contained in the 'Angel of Nitshill Road' PowerPoint.
